

PUBLIC NOTICE

The Cherrytree Township Board of Supervisors may have extra E-1 Prime dust suppressant available for purchase by residents this summer. The extra oil will only be put down if there is enough for all residents who are interested. It will not be put down until after July 4, 2018. The oil is for dust control purposes only and is not intended to last any longer than this season. If the township is able to offer the extra oil to residents, it will be sold in 200 ft. by 14 ft. sections at a cost of \$150.00 per section. Any residents who are interested in purchasing the extra oil must contact the township office, by July 1, 2018, at (814) 827-1078 or cherrytreetwp@zoominternet.net.
